Malt Breakfast Food.

Don't give up your cereal breakfasts because oatmeal and the ordinary cereal preparations are too heavy, indigestible and unappetizing. Just serve Malt Breakfast Food, and notice the difference.

Malt Breakfast Food contains all the virtue of malt with the strength of wheat. All members of the family, young and old, will welcome the new breakfast food.

No other cereal affords so great a variety of appetizing dishes. It is the only malted cereal. Not an experiment, as hundreds of other cereal preparations are. It has been adopted by every great hotel and by the best clubs in all the big cities.

In preparing for publication a menu for a model breakfast, Oscar, of the Waldorf-Astoria, the greatest chef of the world, selected Malt Breakfast Food. A package of Malt Breakfast Food makes breakfast for thirty.
